14 streams and rivers on those lands, with few, if any,
15 actual or proposed water resource facilities located
16 upstream from such lands and few, if any, opportu-
17 nities for diversion, storage, or other uses of water
18 occurring outside such lands that would adversely
19 affect the wilderness values of such lands.

20 (2) The lands designated as wilderness areas by
21 section 201 are not suitable for use for development
22 of new water resource facilities or for the expansion
23 of existing facilities.

24 (3) Therefore, it is possible to provide for prop-

1 value of the lands designated as wilderness areas by
2 section 201 in ways different from the ways utilized
3 in other laws designating wilderness areas.

5 tect the wilderness values of the lands designated as wil-
6 derness areas by section 201 by means other than a feder-
7 ally reserved water right.

8 (c) STATUTORY CONSTRUCTION.—Nothing in this
9 title—

10 (1) shall constitute, or be construed to con-

12 the United States of any water or water rights with
13 respect to the wilderness areas designated by section
14 201;

15 (2) shall affect any water rights in the State of
16 Idaho existing on the date of the enactment of this
17 Act, including any water rights held by the United
18 States;

19 (3) shall be construed as establishing a prece-
20 dent with regard to any future wilderness designa-
21 tions;

22 (4) shall be construed as limiting, altering,
23 modifying, or amending any of the interstate com-
24 pacts or equitable apportionment decrees that appor-

1 tion water among and between the State of Idaho
2 and other States; and

3 (5) shall be construed as limiting, altering,
4 modifying, or amending provisions of Public Law
5 92–400, which established the Sawtooth National
6 Recreation Area (16 U.S.C. 460aa et seq.).

7 (d) IDAHO WATER LAW.—The Secretary concerned
8 shall follow the procedural and substantive requirements
9 of the law of the State of Idaho when seeking to establish

12 ignated by section 201.

13 (e) NEW PROJECTS.—

14 (1) PROHIBITION.—Except as otherwise pro-

11 201.

12 (b) MANAGEMENT ACTIVITIES.—In furtherance of
13 the purposes and principles of the Wilderness Act, man-
14 agement activities to maintain or restore fish and wildlife

17 section 201 where consistent with relevant wilderness
18 management plans, in accordance with appropriate poli-
19 cies such as those set forth in Appendix B of House Re-
20 port 101–405 of the 101st Congress, including the occa-
21 sional and temporary use of motorized vehicles, if such
22 use, as determined by the Secretary concerned would pro-
23 mote healthy, viable, and more naturally distributed wild-
24 life populations that would enhance wilderness values and

1 accomplish those purposes with the minimum impact nec-
2 essary to reasonably accomplish the task.

3 (c) USE OF AIRCRAFT.—Consistent with section
4 4(d)(1) of the Wilderness Act (16 U.S.C. 1133(d)) and

10 mountain goats, wolves, grizzly bears, and other wildlife
11 and fish.

12 (d) HUNTING, FISHING, AND TRAPPING.—Nothing in
13 this title shall affect hunting, fishing, and trapping, under
14 applicable State and Federal laws and regulations, in the
15 wilderness areas designated by section 201. The Secretary
16 concerned may designate, by regulation in consultation
17 with the appropriate State agency (except in emergencies),
18 areas in which, and establish periods during which, for
19 reasons of public safety, administration, or compliance
20 with applicable laws, no hunting, fishing, or trapping will
21 be permitted in the wilderness areas.

22 **SEC. 208. NATIVE AMERICAN CULTURAL AND RELIGIOUS**

2 Federal lands for tribal activities, including spiritual, cul-
3 tural, and traditional food-gathering activities.

4 **SEC. 209. MILITARY OVERFLIGHTS.**

5 Nothing in this title restricts or precludes—

6 (1) low-level overflights of military aircraft over
7 the wilderness areas designated by section 201, in-
8 cluding military overflights that can be seen or
9 heard within the wilderness areas;

10 (2) flight testing and evaluation; or

11 (3) the designation or creation of new units of

16 92–400 (16 U.S.C. 460aa–4), which required a review of
17 the undeveloped and unimproved portion or portions of the
18 Sawtooth National Recreation Area established by that
19 Act as to suitability or nonsuitability for preservation as
20 part of the National Wilderness Preservation System, is
21 repealed.

22 (b) PUBLIC LANDS.—

23 (1) FINDING.—Congress finds that, for the pur-
24 pose of section 603 of the Federal Land Policy and

6 (B) The Jerry Peak West Wilderness

24 (a) FINDINGS AND PURPOSES.—In the case of those
25 Federal lands not designated as wilderness in title II, Con-

1 gress has examined the management alternatives for such
2 lands and finds that the designation of such lands as a
3 special management area will provide outstanding oppor-

5 biking, snowmobiling, and the use of off-road motorized
6 vehicles. The purpose of this title is to statutorily provide
7 for the continued management of such lands for motorized
8 and other recreational opportunities, livestock grazing,
9 and conservation and resource protection in accordance
10 with the existing management areas, plans, and applicable

19 Challis National Forest, the Sawtooth National Recreation
20 Area, and the Challis District of the Bureau of Land Man-
21 agement that are not designated as wilderness in title II,
22 as generally depicted on the map entitled “Boulder-White
23 Cloud Management Area” and dated June 1, 2005, are
24 hereby designated as the Boulder White Cloud Manage-
25 ment Area (in this title referred to as the “management

1 area”) and shall be managed as provided by this title. The
2 designation of land already in the Sawtooth National

6 Sawtooth National Recreation Area.

16 existing management areas and in accordance with the ex-
17 isting management plans of the Sawtooth National Recre-
18 ation Area, Challis National Forest and the Challis Dis-
19 trict of the Bureau of Land Management as referenced
20 by the map referred to in subsection (b). If lands in the
21 management area are also included in the Sawtooth Na-

23 also administer that land in accordance with Public Law
24 92–400 (16 U.S.C. 460aa et seq.).

14 **SEC. 302. LAND ACQUISITION IN MANAGEMENT AREA.**

15 (a) LAND ACQUISITION.—The Secretary concerned
16 may acquire, by donation or purchase from willing sellers,
17 lands and interests in lands—

17 Management Area Travel Plan” and dated June 1, 2005.

18 (b) ESTABLISHMENT OR USE OF OTHER TRAILS AND
19 ROUTES.—Notwithstanding subsection (a), other trails

22 be necessary for administrative purposes or to respond to
23 an emergency.

24 (c) ROUTE AND TRAIL CLOSURES.—The following
25 roads or trails shall be closed to motorized and mechanized

1 trail use, except when there is adequate snowcover to per-

5 side of Washington Lake.

7 Creek from Trail 104 to the wilderness boundary.

8 (d) GROUNDS FOR TRAIL SEGMENT CLOSURES.—Re-
9 source damage that can be mitigated and issues of user
10 conflict shall not be used as grounds for the closure of
11 a trail or route in the management area, although the Sec-
12 retary concerned may close any trail or route, or prohibit
13 the use of trail or route for motorized and mechanize trav-
14 el, if the Secretary determines that such closure or prohi-
15 bition is the only reasonable means available for resource
16 protection or public safety.

17 (e) MITIGATION OF TRAIL CLOSURES.—If the Sec-
18 retary determines under subsection (d) that closing an
19 available trail or route in the management area is nec-
20 essary for resource protection or public safety, the Sec-
21 retary shall take any of the following mitigation actions,
22 intended to provide commensurate motorized recreation
23 opportunities in the same general area of the management
24 area:

1 (1) Repair resource damage and secure condi-
2 tions so that closed trails may be reopened to motor-
3 ized use.

4 (2) Replace, relocate, or reroute the trail or the
5 trail segment to provide a similar link between travel
6 points.

7 (3) A combination of the actions specified in
8 paragraphs (1) and (2) and other actions to achieve
9 the overall mitigation objective.

10 (f) **RELATION TO OTHER LAWS.**—In considering
11 mitigation actions under subsection (e), the Secretary con-
12 cerned shall ensure that such action is consistent with the
13 overall objectives of the management area. If the lands
14 are also included in the Sawtooth National Recreation
15 Area, the Secretary concerned shall also administer the
16 action in accordance with Public Law 92–400 (16 U.S.C.
17 460aa et seq.), the map dated _____, 2005, and execu-

21 **VEHICLE PROGRAM.**

22 (a) **GRANT TO PROGRAM.**—There is authorized to be
23 appropriated to the Secretary of Agriculture not more
24 than \$1,000,000, which shall be used by the Secretary to
25 make a grant to the State of Idaho in the full amount

1 so appropriated for deposit with the Off Road Motor Vehi-
2 cle Program of the Idaho Department of State Parks and
3 Recreation, which is used to support the acquisition, pur-
4 chase, improvement, repair, maintenance, furnishing, and
5 equipping of off-road motor vehicle facilities and sites, to
6 groom snowmobile trails, and for enforcement activities
7 and the rehabilitation of land damaged by off-road vehicle
8 users. As a condition of the grant, the State must main-
9 tain the grant funds as a separate account of the Off Road
10 Motor Vehicle Program and may not use the funds except
11 as provided by this section.

12 (b) USE OF GRANT FUNDS.—When the Secretary
13 concerned determines that additional funds are required
14 to carry out the activities described in subsection (a) in
15 the management area, the Secretary may apply for funds
16 from the Off Road Motor Vehicle Program. Funds re-
17 ceived under this subsection shall be used only in the man-
18 agement area.

19 (c) CONSULTATION AND RECOMMENDATIONS.—Be-
20 fore funds are provided under subsection (b), the Off Road

24 public comments.

1 (d) RELATION TO OTHER LAWS.—Any action under-
2 taken using funds obtained under subsection (b) shall con-
3 form to the applicable travel plan of the Challis National
4 Forest, the Sawtooth National Recreation Area, or the
5 Challis District of the Bureau of Land Management.

6 **SEC. 305. AIRPORTS AND LANDING STRIPS.**

7 No airstrips exist in the wilderness areas designated

12 **TITLE IV—WAIVER OF GRAZING**
13 **PERMITS**

14 **SEC. 401. FINDINGS AND PURPOSE.**

15 (a) FINDINGS.—Congress finds the following:

16 (1) Grazing allotments on the lands designated
17 as wilderness by title II, and on nearby Federal
18 lands, have been reduced repeatedly by Forest Serv-
19 ice and other Federal agency decisions reflecting
20 changes in the management of such lands.

21 (2) Future management changes for these lands
22 directed to the watershed recovery for the purposes
23 of restoration of endangered fish populations may
24 result in additional grazing restrictions.

1 (3) Many of the ranching families who have
2 used these lands have found themselves unable to
3 survive economically or to recapture lost economic
4 opportunities as a consequence of the location of
5 their ranching operations.

6 (b) PURPOSE.—The purpose of this title is to offer
7 economic options for traditional users of such lands who
8 have been adversely impacted by past changes, and will
9 be adversely impacted by future changes, in the manage-
10 ment of such lands.

11 **SEC. 402. VOLUNTARY GRAZING PERMIT WAIVER PRO-**
12 **GRAM.**

13 (a) ELIGIBILITY FOR PARTICIPATION.—Only persons
14 that held, on September 30, 2004, a valid grazing permit
15 located in whole or in part in a wilderness area designated
16 by title II or the watershed of the East Fork Salmon River
17 shall be eligible to participate in the voluntary grazing per-
18 mit waiver program under this title.

19 (b) NOTICE OF PARTICIPATION.—If a person de-
20 scribed in subsection (a) desires to participate in the vol-
21 untary grazing permit waiver program under this title, the
22 person shall notify the Federal agency from which the per-
23 son obtained the permit, in writing, not later than one
24 year after the date of the enactment of this Act, of the
25 voluntary decision of the person to participate in the pro-

1 gram in exchange for compensation under section 403.
2 Nothing in this subsection prevents a person described in
3 subsection (a) from waiving, at any time, a grazing permit
4 without compensation.

5 (c) WAIVER.—In the notification submitted under
6 subsection (b), the person shall agree to waive the valid
7 grazing permit authorizing livestock grazing on grazing al-
8 lotments located in whole or in part on lands described
9 in subsection (a). The waiver shall take effect on the date
10 the person receives the compensation provided under sec-
11 tion 403, the date the person makes the waiver by dona-
12 tion, or the date the person receives appropriate com-
13 pensation from a third party, whichever occurs first.

14 (d) EFFECT OF PERMIT WAIVER ON RANGE DEVEL-
15 OPMENTS.—

16 (1) WAIVER.—Except as provided in paragraph
17 (2), a person who waives a permit under this section
18 shall be deemed to have waived any claim to all
19 range developments on the subject grazing allotment
20 or allotments.

21 (2) REMOVAL.—The Federal agency from which
22 a person obtained a grazing permit may authorize
23 the person to remove those range developments asso-
24 ciated with the permit that are not permanent and
25 are easily removable, as determined by the Federal

1 agency. The removal of the range developments shall
2 be completed before the end of the one-year period
3 beginning on the date the waiver of the permit takes
4 effect under subsection (c) and shall be subject to
5 the supervision of the Federal agency.

6 (e) CANCELLATION.—Not later than 30 days after
7 the waiver of a grazing permit takes effect under sub-
8 section (c), the Federal agency shall cancel the permitted
9 grazing on the Federal land in the allotments covered by
10 the notification. Upon cancellation, grazing permits shall
11 be prohibited in the areas where permits were waived, and
12 no future management allocations for grazing shall be per-
13 mitted.

14 (f) TREATMENT OF VACANT ALLOTMENTS.—Any va-
15 cant, unallocated grazing allotments in existence on lands
16 described in subsection (a) shall not be made available to
17 any person after the date of the enactment of this Act.

18 **SEC. 403. COMPENSATION.**

19 (a) ELIGIBILITY AND AMOUNT OF COMPENSATION.—
20 The Federal agency may make a payment to permittees
21 described in subsection (a) of section 402 who waive graz-
22 ing permits as provided in subsection (b) of such section
23 according to a schedule of payments prepared jointly by
24 such agencies and filed with the Committee on Resources
25 of the House of Representatives and the Committee on

1 Energy and Natural Resources of the Senate. The total
2 amount available for such payments is \$7,000,000. If a
3 permittee is in arrears of Federal grazing fees, the amount
4 of fees in arrears shall be deducted from the amount of
5 compensation otherwise due the permittee under this sub-
6 section.

7 (b) EXCEPTIONS.—Compensation shall not be pro-
8 vided under this section if the permittee waives the permit
9 by donation. The amount of any compensation the per-
10 mittee receives from a third party for the waiver of the
11 permit shall be deducted from the amount of compensation
12 otherwise due the permittee under subsection (a).

13 (c) PROHIBITION ON USE OF FUNDS FOR ADMINIS-
14 TRATIVE COSTS.—None of the funds made available to
15 provide compensation under this title may be used to cover
16 administrative costs incurred by a Federal agency to carry
17 out this title.
